Type of Swimming Pool: Above ground / In ground

Fee for pool installation in ground or above ground: \$25.00

Height: _____ inches Width: _____ ft. Length: _____ ft.
(Ground to top edge)

Remarks _____

A current plat of survey must be presented with this application.

All pools over 18" from ground to top lip, must be completely enclosed within a yard with a minimum 5 foot high fence. All gates must be self-closing and have locks. Gates must be kept locked at all times the pool has water. Instead of a fence around the property, a pool may have a self contained fence encircling the top perimeter and stairs that lock in the up position preventing entrance. All applications must be accompanied by a plat of survey that shows the position (penciled in) of the pool on the property and of any overhead power line. All pools must be a minimum of 10 feet horizontal distance from any overhead power or telephone lines. Cable lines are not included. All pools must comply with standard building code regulations with respect to position on the lot. Pools cannot encroach into the established rear side yard setback which is 3 feet. Water must be kept clean and not stagnant at all times.

A GFI protected outlet must be provided within 6' of the filter pump. NO EXTENSION CORDS.

This application is filed with the express understanding and agreement that the installation shall conform in all respects with the ordinance regulating the installation, operation and maintenance of private swimming pools and all amendments hereto. An inspection must be made for any electrical work done with the installation of the pool. Electrical wiring shall comply with the Westchester (Chicago) Electrical Code and all other applicable sections of the code and all amendments thereto.

I have read and understand all regulations regarding the installation of swimming pools
