Discussion

I. Approval of October meeting minutes: Jim had some questions regarding the October minutes. One about the wording of the park district hosting the get out and play day. Abby clarified, meaning that they would provide the venue. He also asked about the high school wording. Abby clarified that she was just reiterating what Mr. Pulia had said.

II. Get out and Play Day: We are still waiting to hear from Gary Kasanders from the park district on a date for the event. Tommy emailed him a few different dates for consideration. We are looking to involve WBI, WGS, Raiders football, AYSO, zumba, Yoga Habitat and a martial arts studio. The park district will have their programs out promoting, as well. These include: senior exercise, kick boxing, fit kids, dance, senior bingo, etc. We need to divvy up jobs. Abby will contact different organizations to get involved. Chuck will make a spreadsheet to keep track of vendors and he will do the signs for the event. Niki offered to contact a friend who is a graphic designer to make fliers. Jim and Neil will work on publicity for the event and getting the word out. Sucada and Mirika will run ground operations at the event. CAB will have a booth with programs explaining the events of the day. Cab will have the splash passes to hand out. We could look into getting some pamphlets on the healthy plate initiative. We talked about having prizes for Bingo: McDonald's, Panera, Dunkin Donuts, etc.

III. High School: we decided to discuss this at the next meeting
