## RESIDENT NOTICE – WORK RESUMING

Attention Residents: On Kensington from Carlisle south to mid block  
and in the Mayfair Project Area

Date: May 4, 2016

Dear Resident:

Storm sewer work is scheduled to begin this week on Kensington from Carlisle going south to the mid block. In order to complete the work, the street will be temporarily closed and reopened at the end of each day. This work is scheduled to last 5 to 7 days depending on the weather.

The contractor will be working diligently to finish the work as quickly as possible. As soon as the work is complete, the roadway will be reopened.

This summer your Public Works crews will be paving the curb lanes from Wakefield to 31st Street, on Kensington, Downing, Buckingham and Sunnyside, after the Mayfair project has been completed.

If you have any questions related to the scheduled work please contact the Public Works Department at (708) 345-0041.

Sincerely

Robert Lewis  
Public Works Director  
Village of Westchester
