April 21, 2017

The Honorable Sam D. Pulia, Village President
Village Board of Trustees
Citizens of Westchester

On behalf of the Village staff, it is my pleasure to present to you the Village of Westchester's Annual Operating Budget for the fiscal year commencing May 1, 2017 and ending April 30, 2018. The FY 2018 Budget was developed by the Village's Management Team consisting of the Village Manager, Police Chief, Fire Chief, Community Development Director, Public Works Director, Information Technology Manager and myself.

The Village's proposed FY 2018 Budget establishes the Village's fiscal policy for programs and services provided to its residents for the fiscal year beginning May 1, 2017. This budget provides the legal framework for the Village of Westchester to perform its duties and fulfill its financial obligations. This budget provides the spending authorization for the following funds:

- General Fund
- Utilities Fund (Enterprise Fund)
- Motor Fuel Tax Fund (Special Revenue Fund)
- E-911 Fund (Special Revenue Fund)
- Hotel/Motel Tax Fund (Special Revenue Fund)
- Debt Service Fund
- Capital Projects Fund

The budget has been prepared to address the operation, maintenance, capital expenditure and debt service needs of the Village of Westchester. As with other municipalities in the Chicago metropolitan area, the Village has been impacted at the local level by regional, state, and national economic conditions. As with the overall economy, Westchester has been impacted by credit/loan issues, the increasing pension costs and the fiscal crisis in the State of Illinois government.

The Village property tax base is founded primarily in its residential housing stock. The assessed value of Westchester properties decreased substantially in 2011 based on the triennial reassessment of property values as of December 31, 2011; the Village's Equalized Assessed Value (EAV) decreased from \$670,014,859 to \$550,475,869 based on the reassessment. As of 2015, the Village of Westchester's EAV was 435,054,105 which is a 3% decrease from the prior fiscal year. The property tax cap level for the 2015 tax year levy to be collected for the fiscal year beginning May 1, 2017, was 0.7%. The EAV is affected by new construction and the Village has seen a steady decline in construction activity since 2008. Additionally, there has been talk in Governor Rauner's Turnaround Agenda to freeze property taxes for a period of time – 2 years, 10 years and permanent have been mentioned. Any type of freeze would be a significant blow to local Governments, especially a Village like Westchester that is a non-home rule taxing body. The property tax freeze would not allow the Village to cover the inflationary increases in expenses that occur annually. What people need to understand is, a property tax freeze only freezes the Tax Levy, it does not freeze a resident's tax bill which could actually increase if EAV improves. I encourage residents to research the topic to better understand the ramifications of a freeze may have on services the Village can provide.

Personnel and benefit costs are by far the largest cost to the Village, and represent approximately 74% of the total expenditures for the General Fund (only) and 51% for the entire budget. The vast majority of the Village's personnel are covered under six collective bargaining units. Only 14 of the 94 full-time employees at April 30, 2017 are not members of a collective bargaining agreement. Additionally, part-time employees are not included in bargaining units. The collective bargaining units include the following, with the number of personnel in each bargaining unit shown in parentheses. The FY 2018 expenditure provides for estimated salary adjustments to labor agreements in negotiation.

Contract Expiration Date

Sergeants (7)	April 30, 2015 (negotiations pending)
Police Patrol (20)	April 30, 2018
Paramedics and Firefighters (23)	April 30, 2018
Police Records/ CSO Officers (3)	April 30, 2018
Clerical (5)	April 30, 2018
Public Works Maintenance (18)	April 30, 2019

All full-time personnel working for the Village are offered health insurance, life insurance, and by law are enrolled in a defined benefit pension plan. Civilian employees belong to the Illinois Municipal Retirement Fund, sworn police officers belong to the Westchester Police Pension Fund, and sworn firefighters belong to the Westchester Fire Pension Fund.

Budget Formulation

The Village's Annual Budget is developed by Village staff using revenue assumptions to determine the appropriate Village spending level.

The Village's major revenue sources are property tax, sales tax, utility taxes and the state income tax (a revenue source shared by the State of Illinois on a per capita basis). Since the recession that began affecting local governments in 2008, many of the Village of Westchester's revenue sources have decreased or remained nearly flat. The main revenue source of the Village, property taxes, has seen a steady decrease as the EAV continues to decline. As revenue assumptions are formulated, the Department Directors meet with the Finance Director to formulate the proposed budget presented to the Board of Trustees.

Fund Balances

The Village's budgeted funds require the use of accumulated reserves (fund balance) to balance their FY 2018 budgets however the Village has a Fund Balance Reserve Policy that requires the General Fund to retain a fund balance equal to 30% of the current average operating expenditures of the General Fund and requires the Utility Fund to retain a fund balance equal to 15% of the current average operating expenses of the Utility Fund. Currently, the Village is not in compliance with the 30% General Fund Balance Policy. However, the Board and staff are working together to bring reserves back to the 30% level with the 2018 Budget projecting Fund Balance to be 28%.

The FY 2018 Budget, fund summary sheets have been presented in this budget document that show future year fund balance projections based on economic modeling.

General Fund

Total projected General Fund revenues for the 2017/2018 Fiscal Year is budgeted at \$ 15,225,632. This represents a decrease of \$107,581 or 0.70% from the 2016/2017 Fiscal Year budgeted revenue of \$15,333,213. A steady decline in revenues over the past many fiscal years is concerning to the Village. State revenue sources and property tax revenues have seen a decrease over the past many fiscal years. While the Village increases the property tax levy on an annually basis, that increase is being more than offset by the decline in EAV. For 2018,

the Village has budgeted \$6,144,720 as compared to the projected revenues in Fiscal Year 2017 of \$6,277,241, a 2.1% decrease.

Utility taxes, State Income Taxes and State Sales Tax make up 29% of the 2018 Fiscal Year Budget. Those revenue sources are projected to produce \$4,420,000 of revenue in 2018; as compared to \$4,526,916 in the 2017 Budget, a decrease of 2.4%.

Total projected General Fund expenditures for the 2017/2018 Fiscal Year is budgeted at \$15,130,882, a decrease of \$372,000 or 2.4% from the prior year budget. The decrease in the budgeted expenditures is due to staff allocating costs to other funds in an attempt to bring Fund Balance reserves back near the 30% level.

Special Revenue - Motor Fuel Tax Fund

In May 2010, the Village issued \$3,500,000 Taxable General Obligation Bonds, Series 2010A to fund street reconstruction and repair. These bond proceeds were used to reconstruct nine local streets in Fiscal 2011 and eight local streets in Fiscal 2012. The Series 2010A Bonds were Build America Bonds and, pursuant to the American Recovery and Reinvestment Act, the Village is eligible to receive a rebate from the U. S. Treasury Department of 35% of the interest paid each year. The Sequester Law enacted by Congress on March 1, 2013, reduced this rebate by 7.6%. The Series 2010A debt service will cost approximately \$300,000 annually for twenty years. The debt service will be made from the Motor Fuel Tax Allotments received from the State of Illinois. Municipalities receive a little less than 25% of the 19-cent per gallon Illinois Motor Fuel Tax. Actual Local Motor Fuel Tax MFY 16 receipts were \$25.63 per capita and were 6.7% greater than MFY 15 receipts of \$24.03. The Illinois Municipal League (IML) helps local municipalities determine budget levels based on financial forecast. For FY 2017 the IML originally forecasted \$25.90 per capita therefore the Village used that amount. However, MFT Allotments are anticipated to come in slightly under that at \$25.60 per capita. The IML is predicting that the local share of Motor Fuel Tax revenue will see a per capita rate of \$25.75 in FY 2018 which is being used for budgeting purposes.

Special Revenue - Hotel/Motel Tax Fund

The Hotel/Motel Tax Fund is a restricted fund established to promote the Village through tourism. The revenue sources for the fund are from the 5% Hotel/Motel Tax imposed on the Hampton Inn, the Newspaper Ad revenue (offset by the newspaper expenses which promotes the Village) and from donations to sponsor Village-wide events. Expenses included in this fund promote tourism in the Village and include costs for Village special events and personnel expenses related to employees that work on the Special Events. The Village has budgeted for the purchase of a 2-Way electronic sign near Fire Station #1 to help promote Village events.

Special Revenue – E-911 Fund

In this case, Emergency 911 Taxes (both locally imposed and the local share of State taxes) are recorded in this fund for the purpose of maintaining emergency communications. Emergency 911 expenditures are recorded both in this fund and in the General Fund. The Village imposes a \$1.50 per line tax on landlines. The Village outsourced its E-911 dispatch function effective October 31, 2013. The Fiscal 2018 Budget only shows 2 months of activity as the State has changed how E-911 funds are distributed.

Capital Projects Fund

The Capital Projects Fund was created in Fiscal 2013 to account for the capital expenditures spent from the \$5,800,000 Series 2013 General Obligation (Alternate Revenue Source) Bonds issued on March 12, 2013 restricted for infrastructure improvement projects within the Village. The Village was initially approved for a Bond Issuance of \$8,800,000 however elected to only issue \$5,800,000. In April 2015 the Village went back and met with Moody's Investor Services and received the Aa2 rating for the issuance of the remaining \$2,200,000 the Bonds went on the Market in May of 2015.

In the November 6, 2012 primary election, the Village residents passed a referendum authorizing a one percent non-home rule sales tax. These taxes were assessed beginning January 1, 2013. Non-home rule sales taxes received in fiscal 2017 are expected to be in line with the Illinois Department of Revenue projection of 700,000. Proceeds from this revenue stream are restricted for infrastructure improvements and debt service on the Series 2013/15 Bonds. The fund budget includes an annual transfer out to the GO Bonds series 2013/15 Bond Fund to fund the debt service requirement on the Series 2013/15 Bonds.

The FY 2018 budget includes street improvement expenditures of approximately \$940,000 to reconstruct local streets. The improvements will be funded primarily with the remaining funds from the \$2,200,000 Series 2015 General Obligation (Alternate Revenue Source) Bonds issued on May 2015 to be serviced from non-home rule sales tax distributions. Additional streets may be added depending upon project costs. The entire roadway will be removed and replaced with asphalt binder and surface. The projects will include repair or replacement of defective drainage structures and storm sewers, replacement of deteriorated sections of sewer lines, complete replacement of curb and gutters, replacement of any asphalt driveway aprons with concrete and depressed curbs. Parkway restoration will consist of topsoil and sod.

Debt Service – GO Bonds Series 2013 Bond Fund

The Debt Service – GO Bonds Series 2013 Bond Fund was created in Fiscal 2013 to account for the debt service expenditures on the \$5,800,000 Series 2013 General Obligation (Alternate Revenue Source) Bonds issued on March 12, 2013 restricted for infrastructure improvement projects within the Village. The Village had an additional bond issue in May 2015 of the GO Bond Series 2015 of \$2,200,000. This was part of the initial approval of \$8,800,000 bond issuance.

The fund will be financed by a transfer in from the Capital Projects Fund, where proceeds of the Non-Home Rule Sales Tax are recorded. The only expenditure in this fund will be the principal and interest payments on the Series 2013/15 Bonds. Annual debt service expenditures approximate \$409,620 to \$562,550 through December 2034.

Utilities Fund

In FY 2016 the Village Board completed a water and sewer rate study. This study considered both operational and capital cost for the fund. In January of 2016 the Village moved from quarterly billing to monthly billing and eliminated the 9,000 minimum usage water billing. The Village now charges for water based on actual usage, in addition the Village has added a \$4.00 infrastructure charge for water service and a \$4.00 infrastructure charge for sewer usage. The Village purchases its water from the Broadview-Westchester Joint Water Agency (BWJWA), who in turn purchases their water from the City of Chicago.

The current contract with the Village waste hauler, Waste Management, expires on June 30, 2017. The budget assumes a flat cost for the 2018 Budget, however through negotiations that would become an extension or the process of an RFP, the Village anticipates this cost to decrease significantly for the 2018 Budget year. A budget amendment would be necessary once the contract is known.

On September 30, 2011, the Village was awarded a wastewater treatment works loan obtained through the Illinois Environmental Protection Agency (IEPA) low interest loan program. The IEPA financed \$852,111, payable over 20 years, to finance sewer improvements in the Highridge area of town which includes point repairs to the existing sanitary sewers where necessary, installation of a resin liner in the main sewer lines, and rehabilitating manholes. The project was completed in May 2013. Annual debt service on the loan is approximately \$49,400 through 2032.

In May 2010, The Village issued \$1,610,000 Taxable General Obligation Bonds, Series 2010B to fund infrastructure improvements to the Village's water and sanitary sewer system, specifically the repainting of the interior of the Village's water tower and water main replacements of Fleet and Preston Streets. The debt service on the Series 2010B Bonds will be made from utility revenue. The Series 2010B Bonds were Build America Bonds and, pursuant to the American Recovery and Reinvestment Act, the Village is eligible to receive a rebate from the U. S. Treasury Department of 35% of the interest paid each year. The Sequester Law enacted by

Congress on March 1, 2013, reduced this rebate by 7.6%. The annual debt service on the Series 2010B bonds is approximately \$190,000 through FY 2021.

The 2018 Budget includes a \$3,900,000 expense related to the Sunnyside Sewer Project. The project will be paid for through a loan from the IEPA. Annual Debt Service payments would begin after the project is complete in 2019.

SUMMARY

The FY 2017/18 Budget provides funds necessary to finance the continuation of excellent service provided by Village departments to the community, as well as fund several major capital improvements. While the principle causes of financial challenges faced by local governments over the last several years have come from the revenue side of the budget, expenditure containment and control need to be continually addressed to ensure that we continue to operate within our means. Staff will continue to work to hold down and reduce operating costs where possible.

Cooperation with groups such as the Metropolitan Mayors Caucus, Illinois Municipal League and the West Central Municipal Conference continues to be critical in maintaining a municipal view in Springfield and Washington D.C. on unfunded mandates issues, i.e. homeland security which was previously provided by the federal government, protection of municipal revenues and the future role of local governments in providing services and programs that have traditionally been provided by the federal/state government.

The budget document represents a significant effort on the part of the entire senior staff of the Village of Westchester. We would like to commend senior staff on their diligence and efforts in developing a professional and comprehensive budget document.

Respectfully submitted,

Chris Webber
Finance Director

Village of Westchester
Community Profile

Located approximately 14 miles west of Chicago in Cook County, the Village of Westchester encompasses a 4.5 square mile area and is home to 16,718 residents based on the 2010 United States Census. The Village was incorporated in 1925 and operates as a non-home rule unit of government. The village is primarily residential and commercial in nature, with housing stock consisting of 7,219 units.

The Village operates under a council-manager form of government as defined by the Illinois Municipal Code. The Village President, Village Clerk, and six trustees are elected at large to serve four year terms, with three trustees elected every second year. The Village Attorney is appointed by the Village President, with the advice and consent of the Village Board. The Village Manager is hired by the Village President and Board of Trustees. All department managers are hired by the Village Manager.

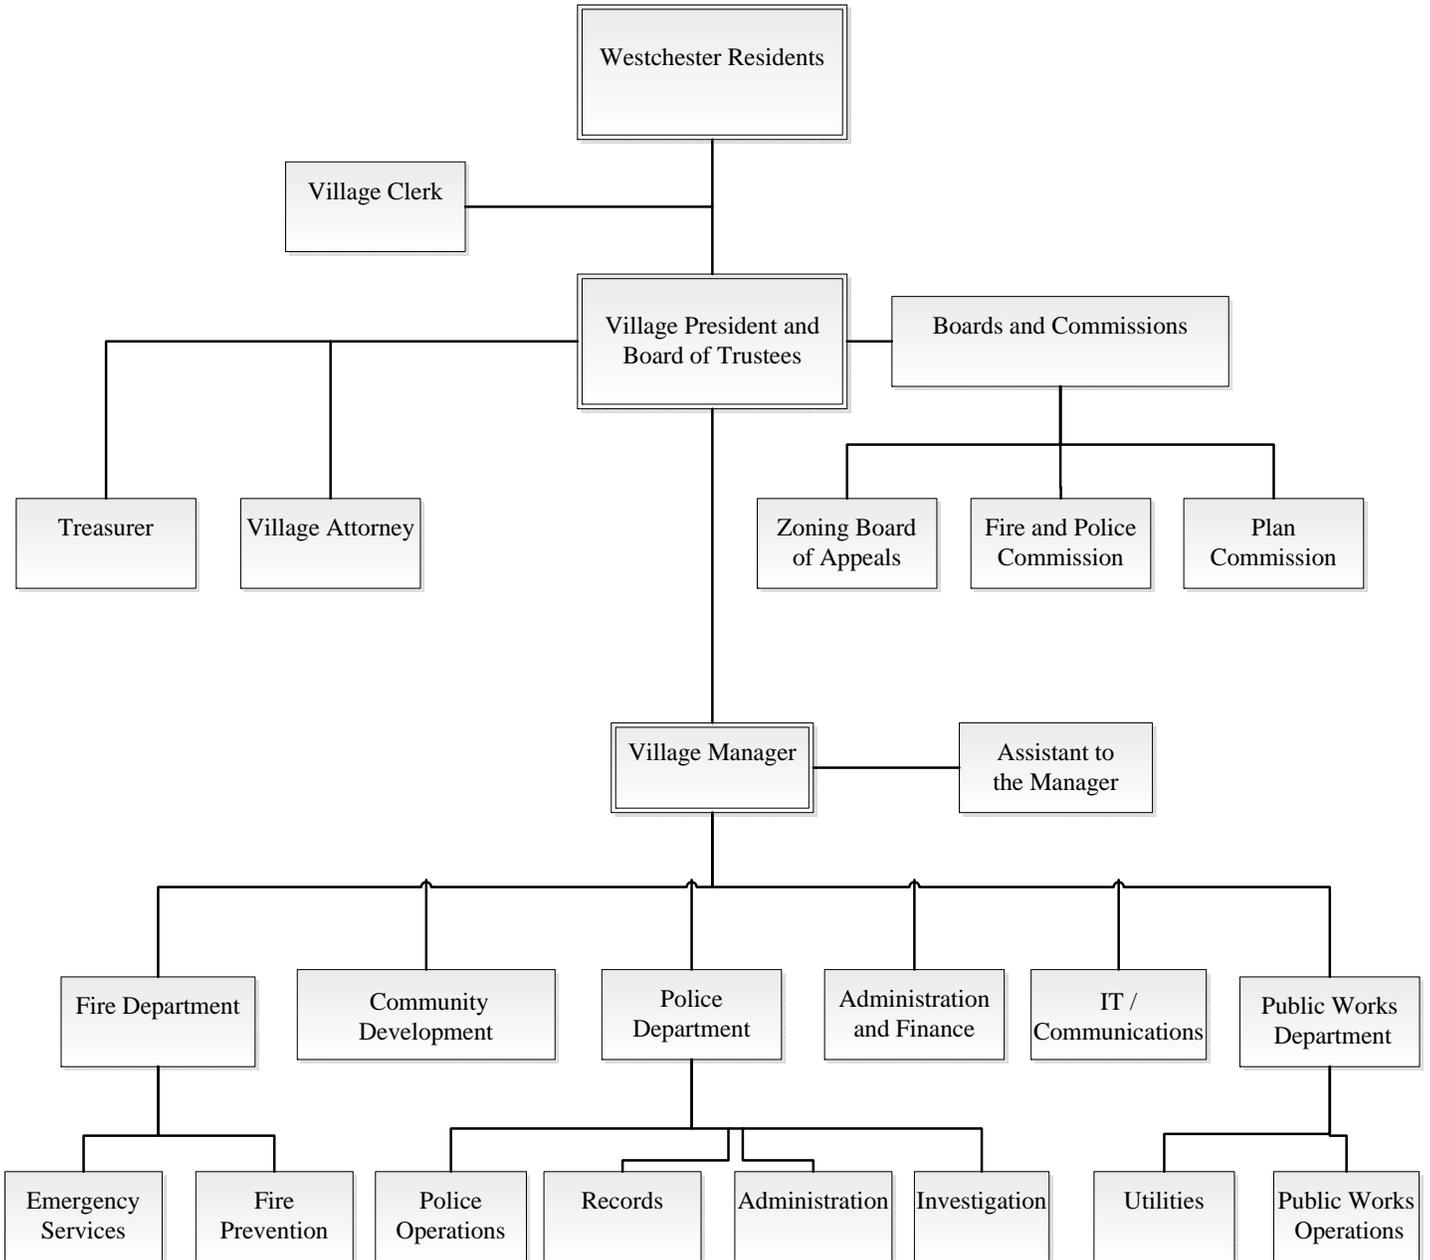

The Village Manager is the chief administrative officer of the Village and is responsible for its day-to-day operations. The Village Manager oversees a full-time staff of five department managers including Finance, Police, Fire, Public Works and Building.

Summary of Changes in Fund Balance

Village of Westchester
General Fund
Budget for the Fiscal Year Beginning 5/1/2017

The General Fund is the Village's primary operating fund. It accounts for the financial resources and uses traditionally associated with general government, except those required to be accounted for in a separate fund.

Revenues

The General Fund derives revenues from a variety of sources. General Fund revenues are separated into the following categories: Local Taxes, Licenses & Permits, Intergovernmental, Fines & Forfeitures, and other revenues. Total general fund revenue for the 2017-18 Fiscal Year is budgeted to be \$ 15,225,632. This represents a decrease of \$107,581 or 0.7% from the 2016-17 Fiscal Year budgeted revenue of \$15,333,213. Further information on General Fund revenues is as follows:

Local Taxes

Local Taxes are taxes levied and imposed by the Village of Westchester.

Property Taxes – Property Taxes are levied by the Village of Westchester. They are based on the assessed value of real property located within the Village. Property values are assessed by Cook County. Taxes are also collected by Cook County and the Village's portion is remitted back to the Village. The property tax levy remains the greatest source of revenue to the Village's General Fund. The Property Tax Limitation Law limits the dollar amount levied from one tax year to another to the lower of 5% or the CPI (0.7% for the 2016 tax levy). The property tax levy is separated into three portions: General Purpose, Fire Pension, and Police Pension. The Police and Fire Pension amounts are paid directly to the pension funds, limiting the funds available for the General Purpose portion of the levy. This year's property tax levy included general purpose revenue of \$4,307,720, which represents a 4.05% decrease over last year's general purpose levy. The Police and Fire Pension Funds combine to levy \$1,837,000, which represents a 7.73% decrease over the prior year's levy. Combined, this year's total tax levy of \$6,144,720 is 5.18% less than last year's tax levy of \$6,480,588.

Utility Taxes – The Village collects three types of utility taxes. There is a 6% tax on telephone gross receipts, a 5% equivalent electric tax based on consumption, and a 5% gross receipts natural gas tax. The Village is forecasting increases in both electric taxes and natural gas taxes as revenues have been trending upward for many months. Since Electric and Natural Gas taxes are based on consumption, they fluctuate with weather, usage, and the price of natural gas. The 6% telecommunications tax is based on the amount of telecommunication services our residents purchase. Telecommunications tax saw a significant decrease in Fiscal Year 2017 as many people use landlines less and less to communicate.

Places For Eating Tax – The 1% Places for Eating Tax became effective October 1, 2006. For the coming fiscal year, we are budgeting \$255,000, which is a flat from last year's budget and in line with projections. This tax is regarded as a good barometer of the local economy.

Foreign Fire Insurance - These funds are received from insurance companies based outside of the State of Illinois that insure businesses within the Village. They are taxed at a rate of 2% and these funds pass directly through the General Fund and are paid out to the Foreign Fire Insurance Board. The expense offsetting this revenue stream is seen in the Fire Department portion of this budget.

Amusement Tax – The Village collects 3% on all amusement sales. The primary source of revenues derived for this budgeted item comes from the golf course in town.

Gaming Tax – The Village currently issues five establishments licenses to operate video gaming terminals. This revenue source was budgeted for \$85,000 in Fiscal Year 2017, however is projected to annually produce \$125,000 in revenue going forward.

Village of Westchester
General Fund
Budget for the Fiscal Year Beginning 5/1/2017

Video Rental Tax – The Village collects 8% on all video rentals.

Cable TV Tax – The Village assesses a 5% tax on cable TV subscriptions. The revenue has increased in recent years both due to an increase in cable rates and the integration of AT&T cable services in the Village.

Licenses and Permits

Building Permits – The amount of fees generated from building activities is expected to increase conservatively to \$605,000 for the coming fiscal year in part due to the Highlands clubhouse being built. Historically, building permit revenue has fluctuated from year to year.

Compliance Permits – The Village collects revenue for inspections performed during the building and remodeling process. Village Building Inspectors verify that work done in the Village complies with federal, state, and local building safety codes. Compliance permit revenue is coming in over budget. This is a result of increased compliance with inspection guidelines. The Village will budget for revenues next year to be comparable to those actually received during the current year.

Health & Elevator Inspection Fees – The Village pays for health inspections required at local businesses and passes the direct cost onto the applicable business. The elevator inspection fee was updated during the 2011/12 Fiscal Year to include an administrative fee. Current rates for these inspections are \$95. for a Health Inspection and \$60. for an Elevator Inspection.

Planning & Zoning Fees – These fees are nominal and are charged only when the Planning and Zoning Commission is required to meet and assess a recommendation to the Village Board.

Business Licenses – This revenue stream includes licenses for signs, solicitors, and general business. Revenues for the 2017-2018 Fiscal Year are projected to increase by 33% from the prior year, based on the 2016-17 actual collections.

Contractor Licenses – The Village requires contractors wishing to receive a building permit within the Village to be licensed. The licensing process involves providing proof of insurance and bonding. These revenues are expected to remain constant.

Liquor License – Fees for the license required to sell liquor within the Village.

Tobacco License – This revenue stream is for the licenses required for tobacco sales.

Vehicle Licenses – The Village issues a license to all vehicles registered within the Village. Licenses are available for purchase during March and April and must be displayed by May 1st. Stickers purchased on or after May 1st are subject to a late fee equal to the cost of the sticker. The late fees are recognized in the revenue line “Late Fee – Vehicle Stickers”.

Intergovernmental

The Village of Westchester’s intergovernmental revenue streams are comprised of the municipal share of taxes levied by the State of Illinois and State and Federal grants or reimbursement programs. Further detail on intergovernmental revenue is as follows.

Personal Property Replacement Tax – Replacement taxes are revenues collected by the State of Illinois and paid to local governments to replace money that was lost by local governments when their powers to impose personal property taxes on corporations, partnerships, and other business entities were taken away. The budget figure for 2017-18 increased based on the projected numbers for 2016-17.

Village of Westchester
General Fund
Budget for the Fiscal Year Beginning 5/1/2017

State Income Tax – Income tax is paid by residents to the state at a rate of 5% of the Federal Adjusted Gross Income. The state then remits a portion of this back to municipalities on a per capita basis. This revenue source underperformed significantly in Fiscal Year 2017. The revenue was approximately \$240,000 under budget or 13.20%. Please note this source is a per capita revenue source and affects all local municipalities negatively. The Illinois Municipal League (IML) has been in contact with the State, but to date the only explanation provided has been that the State changed their formula. The IML is projecting a higher per capita rate than the Village feels comfortable budgeting for in 2018.

Local Use Tax - Local Use Tax is levied by the State of Illinois for the privilege of using, while in Illinois, any item of tangible personal property that is purchased anywhere at retail. The tax is imposed on the user of the item; however in most cases the tax is paid by the retailer when filing their state tax return. The Local Use Tax rate is 6.25% on general merchandise (including automobiles and other items that must be registered). The rate is 1% on qualifying food, drug, or medical appliances. Twenty percent of the general merchandise collections and one hundred percent of the food, drug, or medical appliance collections are remitted to municipal governments on a per capita basis. This revenue source outperformed the 2017 budgeted amount by \$30,000 or 8%. The IML is projecting this revenue source to continue to increase in 2018; therefore the Village has budgeted an increase of \$18,000 from the 2017 actuals.

Charges for Service

Rent – The Village receives rental revenue from the US Postal Service, as the Village owns the building used by the Post Office. The Village also receives rental revenue from cell phone providers for cell phone towers placed on Village property. Rental revenue is based on contract, and there are only nominal increases projected.

Ambulance Fees – These fees are assessed when the Westchester Fire Department responds to an emergency call. The fees are billed and collected by a third party.

Fines & Forfeits

Alarm Fines – Eliminated in the 2018 budget as the Village changed an ordinance which required the use of a single provider, which is then where the revenue came from.

Police Fines – Fines assessed by the Westchester Police Department in accordance with the Village of Westchester Municipal Code. Revenues for 2016-17 are expected to outperform the budgeted revenues by \$40,000. The 2018 Budget has been increased to \$300,000 as this account is where the Local Debt Recovery funds are recorded.

Circuit Court Fines – Fines collected by the Circuit Court of Cook County and remitted to the Village. Collections for 2017-18 are expected to be in line with actual projected collections for 2016-17.

Code Enforcement Fines – Fines assessed by the Village for violations of Village code.

Photo Enforcement – In December 2013, the Village contracted with Safe Speed photo enforcement to replace the cameras at the intersections of Cermak and Mannheim Roads (southbound on Mannheim) and also at the intersection of Roosevelt and Mannheim Roads (westbound on Roosevelt and Northbound on Mannheim). This revenue source accounts for approximately \$390,000 - \$400,000 in revenues.

Police Towing – On March 24, 2009, the Village Board approved an ordinance in regards to the impoundment of a motor vehicle used in the commission of certain offenses, which called for a civil penalty not to exceed \$500.

Village of Westchester
General Fund
Budget for the Fiscal Year Beginning 5/1/2017

Other Income

Interest Income – Interest income is derived from cash balances and investments that the Village holds, pursuant to the Village’s investment policy. Rates over the previous several years have been historically low. The Village does not project any significant changes in interest income over the next fiscal year.

Sale of Fixed Assets – Occasionally the Village will find itself in possession of a fixed asset that it no longer has a functional use for. In such an instance, the asset would be sold at auction with the consent of the Village Board.

Reimbursements – Reimbursement revenue is derived from several sources. The largest portion of the Village’s reimbursement revenue comes from the employee share of health benefits. Employee contribution to health insurance varies by union contract. Non-represented employees contribute 10% of the cost of health insurance. Other types of reimbursements include gas use from the schools and Park District.

Sidewalk – The Village partners with interested residents to replace sections of sidewalk that are in need of repair. Residents interested in participating in this program contact the Public Works department, and, if approved, the cost of sidewalk replacement is split 50/50 between residents and the Village. This revenue line is to track the residents’ portion of the sidewalk replacement.

Tree Program – The Village partners with interested residents to replace parkway trees. Residents can choose from five varieties of trees to replace their dying or damaged parkway trees. The cost of the replacement trees is split 50/50 between residents and the Village.

Miscellaneous Other Income – Occasionally the Village will receive revenue that is nonmaterial in nature and is not expected to be recurring. In such instances, the Village will recognize this revenue under Miscellaneous Other Income.

General Fund Expenditures

The General Fund is organized by department. The following departments exist in the General Fund:

- Administration
- Information Technology (New Department in the 2018 Budget)
- Planning and Zoning Commission
- Building
- Board of Fire and Police Commissioners
- Police
- Emergency Management
- Fire
- Public Works

Several fund-wide expenditure summaries appear on the following pages. Following that is detail for each of the departments in the General Fund.

Village of Westchester
 General Fund – Administration/Finance Department
 Budget for the Fiscal Year Beginning 5/1/2017

Administration/Finance Department

The Administration/Finance Department includes the Legislative, Village Manager and Finance divisions of the Village. The Village Manager is appointed by the Village President with the consent of the Village Board. Village staff report to the Village Manager. It is the role of the Village Manager to direct staff in the daily administration of village services.

Other areas of Administration include:

- Human Resources
- Village Clerk
- Public Relations
- Adjudication
- Legal Services
- Community Events

The Finance area oversees:

- Accounts Payable
- Accounts Receivable
- Revenue collection
- Payroll
- Budget performance
- Preparing the Village’s annual tax levy
- Maintaining the Village’s debt schedules

A summary of Administration Department expenses are below:

	2016 Actual	2017 Budget	2017 Projected	2018 Budget	Change from Prior Budget	% Change from Prior Budget
Personnel	\$ 621,287	\$ 589,705	\$ 547,666	\$ 624,835	\$ 35,130	6.0%

Village of Westchester
 General Fund – Information Technology Department
 Budget for the Fiscal Year Beginning May 1, 2017

Information Technology

This is a new Department for the Fiscal Year Ended April 30, 2018 Budget year. Expenses related to Information Technology will be consolidated into this Department to allow for better tracking of budgetary needs the Village faces.

The Goal of this Department is to coordinate and maintain the Village’s technology resources, including hardware, software, the Village website and any other projects related to technology throughout the Village.

Village of Westchester
 General Fund – Plan Commission/Zoning Board of Appeals
 Budget for the Fiscal Year Beginning 5/1/2017

Plan Commission / Zoning Board of Appeals

The Plan Commission makes recommendations on:

- Changes to the Village's Comprehensive Plan
- Special uses
- Text amendments to the Village's Zoning Ordinance

The Zoning Board of Appeals makes recommendations on:

- Variations to the Zoning Ordinance
- Appeals of decisions by the Director of Community Development

Both commissions are only recommending bodies. The Village Board has the right to accept, reject or modify the recommendation of these commissions.

The Plan Commission makes recommendations on or changes to the Village's comprehensive plan and zoning code. The Zoning Commission makes recommendations on variations to the zoning code. Decisions by either commission must be approved or denied by the Village Board.

A summary of Plan Commission/Zoning Board of Appeals expenses are below:

Village of Westchester
 General Fund – Community Development Department
 Budget for the Fiscal Year Beginning 5/1/2017

Community Development Department

The Community Development Department is responsible for economic development, building permitting, code enforcement, and planning & zoning. There are many tasks that Community Development is responsible for within these disciplines. The Department's mission is to encourage a healthy, safe and prosperous community through programs and activities that benefit the residential and business sectors.

ECONOMIC DEVELOPMENT

- Business Recruitment
- Business Retention
- Marketing the Village
- Communication with Business Sector
- Staff Liaison to the Economic Development Commission
- Represent the Village at various regional events
- Implementing Village policies related to economic development

BUILDING PERMITTING

- Building Plan Review & Processing
- Issue Permits for various types of building activities, including, but not limited to, demo, reconstruction, rehab, and residential accessory structures like pools, patios, driveways.
- Review Plans for mechanical, electrical, plumbing, structural, energy conservation code
- Perform inspections of mechanical, electrical, plumbing, structural and health and sanitation inspections
- Processing Permit (Collecting Bond, Insurance, and Licenses, coordinating approvals.)
- Coordinate reviews with other department
- Building Code update
- Code interpretation

PLANNING AND ZONING

- Process rezoning, variations, special uses, subdivisions, planned unit developments
- Guide Applicants through the Entitlement Process
- Long Range & Short Range Planning (i.e. Comprehensive Plan update and sub-area plans)
- Coordinate with other departments & other agencies (IDOT, IEPA, Cook County)
- Zoning Code Administration
- Staff liaison to the Plan Commission and the Zoning Board of Appeals
- Provides demographic information

Village of Westchester
 General Fund – Fire & Police Commission
 Budget for the Fiscal Year Beginning 5/1/2017

Fire & Police Commission

The Fire and Police Commission provides for hiring and promotions to sworn personnel in the Fire and Police departments. Additional duties include hearing disciplinary and termination cases regarding sworn personnel. Eligibility lists for police officers and firefighters are good for two years, while promotional testing for fire lieutenants and captains, as well as police sergeants and lieutenants are good for three years.

The 2018 budget for the Fire and Police Commission represents a nominal increase in professional services to accommodate for testing and hiring procedures. The budgeted exams for 2018 are for Police Sergeants and entry-level Patrol Officers.

A summary of Fire & Police Commission expenses are below:

 General Fund – Police Department
 Budget for the Fiscal Year Beginning 5/1/2017

Police Department

The Mission of the Westchester Police Department is to work with all citizens to preserve life, maintain human rights, protect property, and promote individual responsibility and community commitment. Our department's goal is to assist citizens in preventing crime. Our department's focus is to serve the community at large, improve community awareness, and to continue citizen education by offering tips how not to be a victim of a crime.

The department is budgeted with three divisions: operations, records, and emergency management. The Operations Division consists of items related to providing services to the community. The Records Division consists of the salaries of the record clerks that maintain all of the official police documents. Emergency management consists of planning and preparation to address major emergencies within the Village, i.e. flooding, tornados.

A summary of Police Department expenses is below:

Village of Westchester
 General Fund – Emergency Management Agency
 Budget for the Fiscal Year Beginning 5/1/2017

Emergency Management Agency

The Emergency Management Agency of the Village operates to ensure adequate response to a variety of emergency events that may occur in the Village.

The Emergency Management Agency is made up of volunteers and collaborates with the Police Department. This budget includes the addition of a small stipend for the Emergency Management Agency Coordinator, who currently serves as a volunteer.

A summary of Emergency Management Agency expenses is below:

	2016 Actual	2017 Budget	2017 Projected	2018 Budget	Change from Prior Budget	% Change from Prior Budget

Village of Westchester
 General Fund – Fire Department
 Budget for the Fiscal Year Beginning May 1, 2017

Mission Statement

The Mission of the Westchester Fire Department is to adequately provide for the protection of lives and property for the community. The Fire Department will respond to and assist the community when incidents including fire, medical, specialized rescue, hazardous materials, natural and manmade disasters, and all other matters generally accepted as the responsibility of the Fire Department occur.

Westchester Fire Department

The Village of Westchester Fire Department serves 16,718 residents in a community over 4.4 square miles. Westchester consists of 7,123 housing units, with 35% of our population consisting of children under 14 and adults over 65 years old. As you are aware, Westchester is home to its own grade school district, Divine Infant School, Divine Providence School, St. Joseph High School, two community centers, and numerous churches. Westchester is positioned in the main transportation corridor into Chicago. The Village is also home to Westbrook Corporate Center that increases our daily population to over 30,000 people. Although we are mainly residential, we are home to many small businesses and light manufacturing facilities.

The Westchester Fire Department is a Class 3 ISO rated fire department. We provide fire suppression, ALS Emergency Medical Services, fire prevention, public education, fire investigation, hazardous materials mitigation, and various levels of technical rescue services. Westchester provides one of three technical rescue units in the region and supplies equipment and manpower to the State of Illinois Terrorism Task Force Technical Rescue Response Team as well as the regional and statewide Hazardous Materials Response Team. The Westchester Fire Department is a career 28 member fire department. We utilize the traditional 3 platoon system. Operations occur from two fire stations, staffed 24 hours a day, 7 days a week, 365 days a year.

Below is a summary of Fire Department expenses:

	2016 Actual	2017 Budget	2017 Projected	2018 Budget	Change from Prior Budget	% Change from Prior Budget

Village of Westchester
 General Fund – Public Works Department
 Budget for the Fiscal Year Beginning 5/1/2017

Public Works Department

The Public Works Department provides essential services which enhance the lives of residents, businesses, and the community in general. Maintenance of public right of ways which promote public safety are the primary function of the department which include pavement patching, resurfacing, crack filling, pavement striping, snow and ice removal, tree trimming, removal of dead or diseased/dying parkway trees, maintenance and replacement of traffic signs, brush collection, street sweeping, maintenance of public buildings and property, fleet maintenance, storm sewer cleaning and repairs, leaf collection, street light repair, curb and gutter replacement, sidewalk replacement, catch basin cleaning, and storm water management.

The Department also works closely with community groups and other Village departments to provide assistance as needed. Below is a summary of the Public Works Department:

	2016 Actual	2017 Budget	2017 Projected	2018 Budget	Change from Prior Budget	% Change from Prior Budget

Village of Westchester
Utilities Fund
Budget for the Fiscal Year Beginning 5/1/2017

Utilities Fund

The Utilities Fund is operated as an enterprise fund, and therefore seeks to utilize business-type operations to provide water, sanitary sewer, and refuse services to the Village. The Utilities Fund includes water distribution, sewer transmission, and refuse collection. Westchester receives its water from the Broadview Westchester Joint Water Agency, which contracts with the City of Chicago to purchase a Lake Michigan Water Allocation. Village wastewater is processed through the Metropolitan Water Reclamation District. Refuse collection in the Village is on a contract with Waste Management. The Village currently has 6,872 residential utilities accounts, 238 commercial accounts, 28 Institutional, 11 industrial, and 8 Governmental accounts. Utility customers are billed monthly for water, sewer, and refuse service.

Below is a summary of the Utilities Fund:

	2016 Actual	2017 Budget	2017 Projected	2018 Budget	Change from Prior Budget	% Change from Prior Budget

Village of Westchester
Utilities Fund
Budget for the Fiscal Year Beginning 5/1/2017

Utilities Fund Revenues

The primary sources of revenue in the Utilities Fund are user fees.

Charges for Service

Refuse Collection – The Village collects revenue to pay for refuse collection in the Village.

Water Sales – Water is billed at a rate of \$8.35 per thousand gallons, customers are billed based on actual usage. Additionally there is a \$4.00 monthly infrastructure fee charged to each utility account.

Meter Sales – Commercial customers in the Village purchase their own water meters. Revenue from these sales occurs only during new construction or renovations/repairs on existing property.

Sewer Fees – Sewer Fees are based on actual water usage and billed at a rate of \$1.22 per thousand gallons. Additionally there is a \$4.00 monthly infrastructure fee charged to each utility account.

Penalties – A penalty of 10% is imposed on past due balances.

Other Income

Interest income – No significant increases are expected on interest income Village-Wide as rates of return on Village

Reimbursement – The utilities fund receives reimbursement for the leaf bag program and from the employee share of health insurance costs deducted during the payroll process.

Village of Westchester
Utilities Fund
Budget for the Fiscal Year Beginning 5/1/2017

Utilities Fund Expenses

The largest portion of expenses in the Utilities Department is contractual services. These are comprised of fees paid to Waste Management for refuse collection and to the Broadview Westchester Water Agency to purchase water for the Village.

The personnel services portion of the Utilities Department budget represents costs established through collective bargaining agreements.

Village of Westchester
Motor Fuel Tax Fund
Budget for the Fiscal Year Beginning 5/1/2017

Motor Fuel Tax Fund

The Motor Fuel Tax Fund is used to account for the receipt of the State's MFT allotment to the Village. The State allocates MFT funds on a per capita basis. The State of Illinois places restrictions on the use of these funds; as such the Motor Fuel Tax operates as a Special Revenue Fund.

Revenues

The primary source of revenue in the Motor Fuel Tax Fund is the MFT allotment from the State of Illinois.

Allotment Income – The distribution of MFT revenue is based on population. The Illinois Municipal League is predicting that the local share of Motor Fuel Tax revenue will be increasing by 0.06% to a per capita rate of \$25.75. This projection includes several unknown factors, the largest of which being the potential decrease in the cost of gasoline.

Other Income

Interest Income – The Village anticipates spending cash on hand to finish some road projects and therefore depleting some fund reserves from previous years; therefore interest earnings in for the 2017-18 Fiscal Year are expected to be minimal.

Misc Other Income – This amount is derived from the credit the Village receives from the Build America Bonds in conjunction with the 2010A Bond Issuance.

Emergency 911 Fund
Budget for the Fiscal Year Beginning 5/1/2017

Emergency 911 Fund

The Emergency 911 Fund operates as a Special Revenue Fund. Special Revenue Funds are used when a dedicated revenue source has legal restrictions placed upon its use. In this case, Emergency 911 Taxes (both locally imposed and the local share of State taxes) are recorded in this fund for the purpose of operating and maintaining a dispatch center for emergency communication. Emergency 911 expenditures are recorded both in this fund and in the General Fund.

Village of Westchester
Hotel/Motel Tax Fund
Budget for the Fiscal Year Beginning 5/1/2017

Hotel/Motel Tax Fund

The Hotel/Motel Fund operates as a Special Revenue Fund. Special Revenue Funds are used when a dedicated revenue source has legal restrictions upon its use. In this case, the Hotel/Motel tax is restricted for the use of tourism related expenditures within the Village. Previously, these tourism expenses largely related to the Westchester Fun Fest expenses. Two years ago brought about a change for tourism and community events within the Village. We hosted a variety of smaller events throughout the year designed to foster community spirit and cultivate a welcoming, entertaining, and inviting environment for residents and visitors of Westchester. We plan to once again offer the community and visitors with events which cater to a variety of tastes. These events are planned and executed by a team of staff and volunteers.

Revenues

Hotel/Motel Tax – Hotel/Motel Tax is collected at a rate of 5% and is received quarterly from vendors in the Village. Hotel/Motel Tax revenues are expected to remain flat until additional floors are built out at the Hotel.

Newspaper Ads – These fees are charged to various businesses wishing to advertise in the Westchester Newsletter, a monthly publication produced by the Village and available for free to Village residents. The advertising revenue collected offsets the expense of producing and distributing the newsletter.

Event Sponsorship– The bulk of event sponsorship was received for the largest event, the BBQ Block Party. The team plans to offer event sponsorship opportunities in the next season as well. This additional revenue is expected to remain flat.

Expenses

Since Westchester will again be hosting a variety of events, the expenses will be attributed to these. Expenses are broken into Personnel Costs associated with staffing events, Contractual Services, and Commodities. Expenses are projected to be higher than last year, due to more accurate budgetary numbers based on last year's event experience as well as allocating more funds to be used in Fiscal Year 2018

Village of Westchester
Debt Service Fund
Budget for the Fiscal Year Beginning 5/1/2017

Debt Service Fund

The Debt Service is used to separately track the bond payments related to the Debt Issuances – both the 2013 and 2015 issuances.

Revenues

The only revenue in this fund will be a transfer in from the Capital Projects Fund, where the Non-Home Rule Sales Tax is recorded. The transfers will be used to pay for the debt service associated with the bond issuances.

Expenses

Expense in this fund relate to the bond principal and interest payments for the 2013 and 2015 Alternate Revenue Bonds.

Village of Westchester
Capital Projects Fund
Budget for the Fiscal Year Beginning 5/1/2017

Capital Projects Fund

The Capital Projects Fund was created at the end of FY 2013 to account for the Capital Expenditures spent out of the 2013 Alternate Revenue Bonds designated for street improvement projects within the Village.

Revenue

Non Home Rule Sales Tax – On November 6, 2012, Westchester voters approved a 1% Non-Home Rule Sales Tax. This tax took effect on January 1, 2013. According to the Illinois Department of Revenue, the Village can expect annual revenue of \$700,000. Proceeds from this revenue stream must be used for infrastructure improvements.

Expenses

Expenses in this fund are limited to infrastructure improvements. The Public Works Director, under the advice of the Village Board, has created a street improvement program that will down spend the bulk of the bond proceeds.

The other item that will appear in this fund in the future is a transfer out to the debt service fund to make the bond payments for the 2013 and 2015 Series Alternate Revenue Bonds.
