

# WESTCHESTER SHRED EVENT

*Free  
Shredding  
for Residents!*

**Saturday, October 17th  
10 AM to Noon**

Westchester will offer residents the opportunity to bring their personal and financial documents to **Village Hall** for free document shredding.

This event will be held behind Village Hall, and residents may follow the directional signs. Please make sure documents you bring to be shredded are not sealed in plastic, as the shredder cannot handle plastic bags.
