Dear Westchester Resident,

We have noticed that your utility bill has an account balance of \$250.00 or more. With the holiday season upon us we know that catching up on past due balances is not always the easiest thing to do. The Village of Westchester has been in contact with CEDA and they have a new assistance program for water bills. **The program is called LIHWAP, and to qualify for this program you must have a balance of at least \$250.00 and this is a one-time payment up to \$1,500.00.** There is a flyer attached with the contact information to get you signed up.

This is a completely optional program and you do not have to apply. We here at the Village want to keep you up to date with any kind of assistance and new information that is available. If you do want to sign up please contact the number provided on the CEDA flyer attached. If you have any further questions please contact the Village of Westchester- Utility Billing Department 708-345-0020.

Thank you and Happy Holidays!

Village of Westchester

CEDA LIHWAP PROGRAM

As of December 6, 2021 CEDA is launching its new water program call LIHWAP.

We are paying water bills for qualifying residents.

The Low Income Household Water Assistance Program (LIHWAP) is an emergency water assistance program created by the federal government due to the COVID-19 pandemic to assist families experiencing hardship with their water bills.

If you are applying for LIHEAP you can also apply for LIHWAP at the same time.

You also can apply at your nearest CEDA intake center or call the online intake center (800) 571-2332.

For any further questions or concerns feel free to reach out.
