APRIL 2023
MONTHLY AND YEAR-END FINANCIAL STATEMENT SUMMARY

BRIEF NOTES:

The April 2023 monthly and year-to-date financial statements included are presented on a cash basis of accounting. The final financial statements presented for the annual audit will be presented on a modified accrual and accrual basis of accounting. These final financial statements will record accounts receivable and accounts payable along with other accrued financial activity that is not available for recording at this time. The adjustments will affect the fund balances in most, if not all of the funds. Please be aware that the net revenue over expenditures will change. The statements presented are still a valuable document as to illustrate the cash basis financial activity for the month and for the fiscal year ending April 30, 2023.

Through the end of Fiscal Year 2023 (April 2023), the General Fund is recording revenues over expenditures in the amount of \$2.970 million.

Below is a brief explanation of cumulative activity through April and the overall financial position through twelve months, or 100 percent of the fiscal year.

GENERAL FUND REVENUES

Through April, General Fund revenues are \$22.013 million. This is \$1.606 million or almost 108 percent over the budgeted total of \$20.407 million. Some of the significant overages/underages are noted below:

- Utility tax for natural gas came in at \$494.2 thousand or \$144.2 thousand over the budgeted amount of \$350 thousand. The electric utility tax was \$32.8 thousand under the budgeted amount of \$504 thousand.
- Telecommunications taxes and Cable TV taxes totaling \$720 thousand are a combined \$98 thousand under their combined budgeted amount of \$818 thousand. Both of these taxes are exhibiting a downward trend over the last few years due to the fewer residents using landlines and cable television services.
- Revenues for other local taxes such as Gaming Tax, Places for Eating Tax, and Amusement Tax are a combined \$552.7 thousand or 116 percent of the combined budget amounts of \$477 thousand.
- Personal Property Replacement Tax totaling \$314 thousand are over twice the budgeted amount of \$144 thousand. This revenue stream has greatly exceeded the Illinois Municipal League's (IML) initial estimates. The good news is that the IML is projecting that this higher revenue from PPRT is the new normal.
- State Income Tax receipts totaling \$2.729 million were \$443.4 thousand more than the budget of \$2.286 million. This IML has labeled this as a stunning performance. IML has stated that this growth is tied into several significant changes on the business side of the Illinois tax code since 2018.

(General Fund Revenues continued)

- Sales and Use taxes totaling \$2.502 million came in a combined \$128.8 thousand over their combined budget amounts of \$2.373 million. This was a reflection of the growing economy during this time period.
- The Dispensary Tax is increasingly picking up and is \$148.0 thousand or 145 percent of the budget of \$102 thousand.
- Police Fines and Overweight Truck fines are a combined \$240.4 thousand; these revenues are over \$100 thousand under their combined budget of \$345 thousand.
- Photo enforcement revenue of \$565.7 thousand has exceeded the budgeted amount of \$495 thousand by \$70.7 thousand for the year.
- Vehicle Sticker revenue is \$331.3 thousand; this is under the budgeted amount of \$355 thousand.
- Ambulance Fee revenue ended the year at \$1.961 million. This is almost double the annual budget amount of \$1.025 million.
- Rubbish revenues came in slightly over the budget of \$2.075 million at \$2.106 million.
- Interest income of \$62.8 thousand has exceeded the budget amount of \$15 thousand due to rising rates.

GENERAL FUND EXPENDITURES

On a cash basis, the total General Fund expenditures are \$19.044 million, or 94.7 percent of the budgeted total of \$20.115 million. This total is \$1.072 million under the budget.

Significant influences on department expenditures are noted below:

- Administration: Total department expenditures of \$1.972 million are 91.5 percent of the department budget of \$2.154 million. This is primarily due to multiple position vacancies of Village Manager, Payroll Clerk, HR Manager, and Accountant in the department. Full time salaries are at 64 percent of the budget. This underage is partially offset by the Professional Services and Payroll Processing Charge accounts' expenditures with the hiring of third-party HR and payroll services. Other major expenditures such as professional services, legal services, and other contractual services have exceeded their budgeted amounts.
- Building Department: Total department expenditures are \$532.9 thousand and are at 71.7 percent of the budgeted total of \$743.2. The underage of \$210.3 thousand has been spread across the various accounts.
- Police Department: Total department expenditures are \$6.783 million which is \$47.9 thousand over the budget of \$6.735 million. Total full-time salaries of \$3.318 million are 95 percent of the budget amount of \$3.481 million, but overtime of \$327.2 thousand is over the budgeted \$250 thousand. These fluctuations are expected due to the inability to fill open patrol officer positions in the department. Vehicle maintenance and supply accounts are over budget due to the high cost of automotive parts and services.

- Fire Department: Total department expenditures are \$6.110 million or 95.7 percent of the budget of \$6.384 million. Like the police department, full-time salaries are under budget by a \$247 thousand and overtime of \$298.6 thousand is 149 percent of the budgeted amount of \$200 thousand. This is expected due to the current inability to fill open firefighter/paramedic positions in the department.
- Public Works Department: Total department expenditures of \$3.591 million are 88.8 percent of the budgeted total of \$4.045 million. Similar to police and fire, salaries are under budget due to the inability to fill open positions to meet the budgeted headcount, and overtime of \$35.6 thousand is over the budgeted amount of \$30 thousand. The Sidewalk Replacement Program expenditures are at \$79.5 thousand compared to a budgeted \$50 thousand due to the increased cost of concrete. This overage is partially offset with sidewalk replacement revenue. Last year's storm caused the Emergency Tree & Storm Care expenditure line to exceed its budget of \$20 thousand by \$65.6 thousand.

With some exceptions, most of the remainder of the expenditure accounts in the Public Works department are under their budget amounts for the fiscal year.

UTILITY FUND

- Utility Fund revenues came in at \$7.193 million or 97 percent of the budgeted amount of \$7.423 million. Water Usage revenue was the main contributor to the underage as it was \$225.9 thousand under budget. The second tranche of the ARPA grant was received in September in the amount of almost \$1.1 million. This will be used for the water meter replacement throughout the Village and the cemetery pond dredging project.
- Utility Fund expenses are \$6.386 million or 80.6 percent of the budgeted total of \$7.926 million. The underage is primarily due to the full amount of \$1.8 million budgeted for the water meter project with only \$715.3 expended for the year. A good portion of the water meter project will be expended in FY 2024. The cemetery pond dredging project is essentially complete at \$415.5 thousand and is mainly (\$384 thousand) is funded by the ARPA grant; the engineering costs of roughly \$31.5 thousand are covered by the Village.
- The inability to fill open positions has caused salaries to be under budget. With some exceptions, most of the remainder of the expenditure accounts in the Utility Fund are under their budget amounts for the fiscal year.
- The Utility Fund is recording revenues over expenses of \$807.4 thousand for the year.

MOTOR FUEL TAX FUND

- MFT allotment revenue through March is \$683.2 thousand, or 98 percent of the budgeted amount of \$696 thousand. The last installment (#6) of the Build Illinois grant in the amount of \$183.6 thousand was received during the year and is being used for road improvements.
- Expenditures for the year are \$3.364 million or almost 80 percent of the budget amount. Expenditures more than revenues are a spend-down of grant money and \$2.9 million of bond proceeds that have been received over the past few years. This activity was expected. The fund is still recording a positive fund balance of \$937 thousand at the end of the fiscal year.

HOTEL/MOTEL TAX FUND

- Hotel/Motel taxes are received on a quarterly basis. The Village has recorded tax revenues of almost \$83 thousand. These revenues are more than the budgeted amount of \$72 thousand.
- Expenditures of \$68.2 thousand are 67 percent of the budget total of \$101.3 thousand. The fund has net revenues over expenditures of \$28.7 thousand. As a refresher, the prior year ended with a *negative* \$31.4 thousand fund balance, so the current fund balance at the end of the fiscal year is a negative \$2.7 thousand.

DEBT SERVICE FUND

- Total bond principal and interest payments for the year are recorded in the amount of \$544.6 thousand. Bond payments are due every June 15th (interest only) and December 15th (principal and interest). A corresponding cash transfer from the Capital Projects Fund to this fund is made in the same amount of debt expenditures to fund the debt payments. There was no activity in this fund in April 2023.

DEBT SERVICE FUND – 2021 G.O. BONDS

- This fund was established to account for the 2021 General Obligation bond issue's debt service payments. The debt on these bonds is paid from real estate tax revenue. Bond payments are due every June 1st (interest only) and December 1st (principal and interest). Real Estate tax revenues from the County Bridge Loan were received in the amount of \$789 thousand in October and \$578.1 thousand in taxes was received in December. A total of \$2.138 million of principal and interest was paid through December. \$1.717 million in real estate tax revenue for the year along with available (accumulated) fund balance from the prior year has funded the debt payments.

CAPITAL PROJECTS FUND

- Non Home Rule Sales Taxes totaling \$1.081 million have been received for the year. This is over the budgeted amount of \$900 thousand by 20 percent of \$181 thousand. Overall expenditures for the fiscal year are \$1.017 million resulting in revenues over expenditures of \$74 thousand. As previously noted, \$544.6 thousand of the expenditures are considered transferred to the Debt Service Fund to pay debt service; this is pursuant to the bond ordinance.

CAPITAL PROJECTS FUND – 2021 G.O. BOND

- In March 2023, the Village issued \$12.0 million in debt certificates and \$1.115 million in general obligation bonds as part of the \$42 million dollar referendum in 2020. These proceeds are deposited into this fund and will be used for street reconstruction and water and sewer infrastructure projects through the upcoming construction season. Expenditures for the year are \$7.756 million. The expenditures are funded by available bond proceeds (fund balance).

ROOSEVELT RD. TIF FUND

- Incremental real estate tax revenues of \$408.8 thousand have been received for the year. Legal and professional expenditures of \$28.7 thousand have been incurred along with another \$8.6 thousand of loan interest. Although this fund is showing net revenues over expenditures for this year, expenditures over revenues have been incurred in prior years, and the fund has a negative fund balance of roughly \$940 thousand until significant TIF revenues are generated.

CERMAK ROAD/OXFORD STREET TIF FUND

- Legal expenditures of \$5.2 thousand have been incurred for the year. There are no revenues.
