Look to have a fall event, late August or early September, due to plants needing more water in the summer (a conservation issue).

Possibility Place/Sticks and Stones will have a plant sale that benefits the community.

- v. Cycle Event (Lee) –

Evie had contact reach out to RIDE IL (they have classes, app, and quizzes to be a better cyclist or driver)

Activities: helmet fitting (would need someone who is licensed because of liability), bike maintenance, tire inflation.

- vi. Reusa-Palooza (LeeAnn out August 28 – September 11)

The spring is the Food Pantry garage sale, so that is no good.

- vii. Pumpkin Smash – Saturday November 4

- i.* Discussion prior to vote: 2023 Westchester Climate Action Plan (Liz)

Tree Board ideas: pay students to help remove trees, replace with native trees? Training municipal staff? Use funding for tree care for the trees that we have already planted. It funds invasive removal.
